Education

- 6/2015-5/2018 **Diploma Public Relations Management (1.3)**, Freie Journalistenschule Berlin, Germany.
Thesis: Communication at the crossroads of science and education
- 4/2014 **Seminar: Communicating Mathematical Topics**, *University of Göttingen, Germany.*
- 2/2013 **Seminar: Presenting Exhibits in a Physics-Related Museum**, *University of Göttingen, Germany.*
- 8/2012 **Course: Photojournalism**, *University of Göttingen, Germany.*
- 8/2011 **Seminar: Rhetorics and Free Speaking**, *University of Göttingen, Germany.*
- 5/2011 **Workshop: Journalism**, *University of Göttingen, Germany.*

Experience - Science Journalism and Communication

- 12/2017 **Talk “Forskjellige oppfatninger av tid i relativitetsteori, kvantefysikk og klassisk fysikk”** for the Norwegian Metrology Service, Oslo, Norway.
- 11/2017 **Talk “Einsteins lykkeligste tanke”** for the annual teacher day at the University of Oslo, Oslo, Norway.
- 11/2017 **Teacher workshop “ReleKvant - relativitetsteori og kvantefysikk”** at Skolelaboratoriet i Realfag, University of Bergen, Bergen, Norway.
- 10/2017 **Teacher workshop “Relativt moderne fysikkundervisning: Kvantefysikk og generell relativitetsteori”** with Bro Aschehoug, Oslo, Norway.
- 6/2017 **Talk “Relativt moderne fysikk: Gravitasjonsbølger - sensasjonell bekreftelse av generell relativitet”** for the annual employee day of the Ministry of Finance, Oslo, Norway.
- 3/2017 **Talk “General Relativity - Making Abstract Science Teachable”** for Outreach Program “PREPARE” at Simula Research Laboratory, Oslo, Norway.

- 1/2017 **Talk and Workshop on Electromagnetism for “Frimekkerlosjen” at Oslo and Akershus University College of Applied Sciences**, Oslo, Norway.
- 2016 **Juror for Junior Science Contest “Hvorfor det?”**, Oslo, Norway.
- 2013–2016 **Project Leader and Mentor for Student Physics Magazine “Detektor”**, Hamburg, Germany.
- 2011–2015 **Author for “Litlog”, eMagazine on Culture, Art, and Science**, Göttingen, Germany.
- 2009–2015 **Author and Blogger for the University Physics Online Education Portal**, University of Göttingen, Germany.
- 2013 **Freelance Science Journalist “Welt der Physik”**, Hamburg, Germany.
- 9/2012–
12/2012 **Internship with German Physics Portal “Welt der Physik”**, Hamburg, Germany.

Awards

- 2017 **Winner of the National Competition for Science on Stage in Norway.**
- 2012 **First Price for my photo reportage "Der Gauß Code" (The Gauß Code) in celebration of the 275th anniversary of the University of Göttingen.**
